Ambassador of the United States of  
America in the Kyrgyz Republic

## **Your Excellency!**

Let us to pay our respects and the deepest esteem to you personally and to the people of United States of America, whom you successfully represent in the Kyrgyz Republic.

We are addressing you with a big request to assist in the rendering of humanitarian assistance as hospital surgery gowns and surgery drapes and sheets (which neither Ministry of Health nor the government of Kyrgyz Republic is able to provide) to the Surgery Department of Alamedin Territory Hospital.

As you may know, the doctors of our clinic several times rendered medical as well as consulting assistance for the citizens of your country. We consider the rendering of medical assistance as our duty but let all of you better be healthy.

Thank You your Excellency!

With sincere respect and hoping for mutual understanding,

Director of Kyrgyz Republic Research Center  
For Reconstructive Surgery under the Ministry of  
Kyrgyz Republic, Chief of the Surgery Department  
of Alamedinskiy Territory Hospital, Professor

Ernst Akramov

Акмолдоевой Б.Б.

Уважаемая Бибира Бородоевна!

С 1999 года по декабрь 2005 года по линии СНАР Министерством здравоохранения Кыргызской Республики было получено гуманитарной помощи на общую сумму около 12 000 000 (млн.) \$ медицинских принадлежностей и оборудования, которая была выделена 211 медицинским учреждениям республики. Данная помощь оказалась необходимой и чрезвычайно своевременной в этот сложный для кыргызской здравоохранения в переходный период. Благодаря этой гуманитарной помощи были спасены жизнь и здоровье многих граждан нашей республики, особенно в отдаленных районах Кыргызстана.

Министерство здравоохранения Кыргызской Республики благодарит за оказанную помощь и выражает надежду на дальнейшее плодотворное сотрудничество с СНАР.

Заместитель министра

**Dear Bibira Borodoevna!**

From 1999 till December 2005 Ministry of Health of the Kyrgyz Republic received humanitarian assistance as medical supplies and equipment amounting \$ 12 000 000 via CHAP/KR and that HA were distributed to 211 medical institutions of the Kyrgyz Republic. That rendered assistance by Church of Christ turned out to be very useful and in proper time for the health service of the Kyrgyz Republic in this difficult transition period. Thanks to that humanitarian assistance the life and health of the many of our citizens are saved, especially from the remote areas of the Kyrgyz Republic.

Ministry of Health of the Kyrgyz Republic expresses a gratitude for the rendered assistance and is pleased for further fruitful cooperation with CHAP/KR.

Sincerely,

Deputy Minister

M.M. Karataev
